

Pet Policy

Lakehead, California · I-5 Exit 698 · (530) 238-8533

Welcome, Road Dogs

Pets are part of the family, and they're welcome at Trail Inn. To keep the campground safe, quiet, and clean for every guest, we ask that all pet owners follow the simple guidelines below during your stay.

General Rules

- All pets must be on a leash no longer than 6 feet whenever outside your RV, tent, or cabin.
- Pets may not be left unattended outside or tied up at your site at any time.
- Please clean up after your pet immediately. Waste bags are available near the office.
- Pets must be kept quiet — excessive barking that disturbs other guests is not permitted.
- Owners are fully responsible for any damage or injury caused by their pet.
- A maximum of two (2) pets per site is allowed without prior approval.

Service Animals

Service animals as defined by the ADA are always welcome at no additional charge and are not subject to breed or size restrictions. Please let our team know at check-in so we can support your stay.

Restrictions

For the comfort and safety of all guests, aggressive animals of any breed will be asked to leave the property. Trail Inn reserves the right to refuse service to pets exhibiting threatening behavior.

Where Pets Are Welcome

Leashed pets are welcome throughout the campground grounds and at your site. Pets are not permitted inside the office, restrooms, showers, or laundry facilities (service animals excepted).

Acknowledgement

By bringing a pet to Trail Inn RV & Campground, you agree to abide by this policy. Thank you for helping us keep Trail Inn a quiet, friendly basecamp for everyone — two-legged and four-legged alike.
